

Media & Merchandise Auction Bidding Rules

AAF-Black Hills requires that you read, understand, accept and comply with the following terms and conditions in order to bid in an online auction hosted by us.

Bidder Eligibility

You must be at least 18 years of age and able to form legally binding contracts under applicable law.

Auction Close

Auction Close means the end of online bidding for the item.

Your Bid is a Contract

When you place a bid on an online auction item, you are entering into a legally binding contract to purchase the donated item from AAF-Black Hills if you are the winning bidder. You are the winning bidder if your bid is the highest bid at Auction Close and your bid is accepted by the seller.

Payment Terms

If you are the winning bidder, you agree to pay AAF-Black Hills the full amount of your winning bid plus any applicable shipping or delivery charges within thirty (30) days of the Auction Close. Payments may be made by credit card or check. All payments are non-refundable.

Delivery Terms

A contract for the item or the item itself will not be delivered to the buyer until the full amount of your winning bid has been received by AAF-Black Hills. After payment has been collected and contracts/items delivered, we are not involved with the actual use of the item and, as such, we have no control over the use, delivery, quality, safety or legality of the items advertised, the truth or accuracy of the listings, the ability of the contributors or of the buyers to finalize the contract for the items.

Contributor Terms

When you place a bid on an online auction item, you are agreeing to any specific terms and conditions imposed by the contributor and included in the item's description (except in the case that such terms would violate the law or conflict with the AAF-Black Hills Terms of Service).

All Bids are Final

Once you have placed and confirmed a bid, your bid can not be retracted (except in the case that the completion of the transaction would violate the law or the AAF-Black Hills Terms of Service).

Tied Bids

In the case of two bidders placing the same maximum bid, the bid first received by the AAF-Black Hills system will be deemed the leading bid.

Government Regulations and Taxes

You are solely responsible for compliance with any federal, state or local tax laws governing your purchase. It is your responsibility to report and pay any applicable taxes. We suggest you consult a professional tax advisor.

Auction Changes

The AAF-Black Hills reserves the right to add or remove items from the online auction at any time without notice.

Acceptance of Terms of Service

You must read, understand, accept and comply with the AAF-Black Hills Terms of Service for Media & Merchandise Auction Bidders.
